

Panther Past-Time Extended Day Enrichment Program Session 6

March 18 – April 26

2:15pm-4:00pm

Mondays – Kingdom Kids - Small group Bible study

During this time, students will study scripture and participate in games and activities related to the scripture they are learning.

Tuesdays –Innovation Station – STEAM enrichment class

Students will explore the connection between science, technology, engineering, arts, and math.

Wednesdays – Creative Corner – Arts and Crafts

This activity time will focus on creative art activities, including free art, in different art media: paint, paper, chalk, clay, etc.

Thursdays – Game Masters – Game Play, Strategy, and Team Building

Game Masters will participate in board games, logic puzzles, and team building activities.

Fridays – Booming Builders – Structure Building/Construction

Students will plan and use spatial reasoning to build structures according to themes using legos, k'nex, magnatiles, and other materials. These activities will focus on creativity, teamwork, and thinking outside the box.
