Student Handbook
2023-2024

Newnan Presbyterian School

Dear Parents,

Thank you for the opportunity to serve you and your family! We are honored that you have chosen Newnan Presbyterian School for your child's early education. We believe that children are a gift from God and that we are called to provide a loving, hospitable Christian environment. Students will learn the broad concept of God which is the seed we plant for each family to cultivate according to their personal religious beliefs.

Newnan Presbyterian School was established in 1983 as an outreach ministry of the Newnan Presbyterian Church. The preschool was created to provide a high-quality early childhood education program with a low student/teacher ratio.

At Newnan Presbyterian School, we strive to maintain a balanced awareness of the relationship between social-emotional and intellectual growth. We are particularly interested in the social-emotional aspects of development at the preschool level. This provides a basis for self-confidence which is the key to developing positive attitudes toward school.

In 2020, to continue to serve the changing needs in the community, we expanded to add primary grades. The mission of the school, started at the preschool level, will continue through the older grades by building on social-emotional and intellectual development of the children with a focus on academics to meet the need of each child.

We are looking forward to a great school year and are excited to have your family part of the Newnan Presbyterian School Panthers!

Kind regards,

Barbara Kookogey

Morning car line: 8:15 am for kindergarten and elementary grades. *

8:50 am for PreK-4 and younger. **

***Elementary (K-5th Grade) can NOT be dropped off in the PreK4 and younger car line.**

****Do not get in car line until 8:40 am, to avoid getting in the elementary grades line.**

Afternoon car line: (teachers will bring children to cars for parents to load)

2 year olds and under – 11:50 am.

3 year olds - 12:00 pm.

4 year olds and Lunch Bunch – 1:00 pm.

Kindergarten, 1st, and 2nd Grade – 2:05 pm.

3rd, 4th and 5th Grade – 2:15pm.

If you are walking up to get your student, please park in a parking spot, not on the street. Please wait behind the door for your student. A teacher will bring your student to you when there is a break in loading cars. Car rider loading will take priority over walk ups.

Car line times must be followed precisely so traffic does not back up into the street. Please abide by the times above. **DO NOT GET IN LINE EARLY – OR LATE!**

Cars enter at the far entrance on Salbide Avenue past the playground by turning **LEFT ONLY** into the drive. (NO RIGHT TURN) Go all the way to back of parking lot, U-turn, go to the end of the lane and turn left and then right to pull up in front of the school on the **right side** of the drive, closest to the playground. Please **pull all the way up to the white line (past the gate)** as to allow several cars to be unloaded at one time. If you arrive early, even by one minute, you must park in the **BACK** parking spaces marked "Afternoon Carpool Waiting Area," until your child's dismissal time.

ALL CARS MUST GO STRAIGHT ON PERRY ST. UPON EXITING THE CAR LINE. (NO RIGHT OR LEFT TURN)

Please, for the safety of all, **no cell phones in the car line** and put your car in park as the children are getting unloaded. Children must stay buckled in their car seat until the car has stopped for unloading.

Parents/guardians will buckle children in car seats at dismissal.

Students in Three-Year Old Classes and younger not picked up by 12:15 will be taken to Lunch Bunch and charged \$5.00 for every 5 minutes until pick up.

Students in Four-Year Old Classes not picked up by 1:15 and Kindergarteners – 5th Grade students not picked up by 2:20 will be charged \$5.00 for every 5 minutes until pick up.

Attendance Policy for Kindergarten and Elementary Grades

Punctual and regular attendance is expected. In order for a student to gain the greatest benefit from our educational program, he/she must be present and on time for school each day.

Excused Absences

An absence is excused for the following reasons:

- Illness or injury of the student
- Medical or dental appointment
- Death or serious illness of immediate family
- Court or government order
- Religious holiday

The parent/guardian must turn in a note including the student's name, dates of the absence, and the reason for the absence to the attendance office or emailed to jgreen@newnanpres.org within five (5) calendar days for the student's absence to be considered excused. After five (5) days, the absence will be marked unexcused. An absence can only be marked excused for the reasons stated above and excuses can NOT be sent via Procure or text.

Planned Absences

Planned absences, such as family trips, require prior approval from the School Director. These types of absences, especially if they are more than two days, are not advisable. It is difficult for a student to make up missing instruction and such absences place an additional burden on the teacher. If the absence is approved, the student is responsible to make arrangements with his/her teacher to make up work. An approved planned absence is counted as an unexcused absence unless it meets the criteria for an excused absence as stated above.

Tardiness

A kindergarten or elementary grade student is considered tardy at 8:25am. All students arriving after 8:25, must be walked in by a parent/guardian to sign in at the office. A kindergarten or elementary student can NOT be dropped off in the PreK4 and under car line. A student must be present for at least half of the day to be counted as present for the day; therefore, anyone checking in after 11:15am will be counted absent for the day.

Early Dismissal

Students in Kindergarten and elementary grades must sign out in the office. Students returning to school must sign back in at the office. A student must be present for at least half of the day to be counted as present for the day; therefore, leaving before 11:15 am will be counted absent for the day.

For record purposes, a student is marked "tardy" on the report card if he/she has a tardy for arriving late, an early dismissal for leaving early, or he/she misses part of day (check out and return).

Attendance Referral Process

- After a student reaches **ten (10) excused absences**, a physician's note will be required for medical verification in order for the absence to be excused.
- After **five (5) unexcused absences**, teachers will communicate with parents via e-mail, phone call, or parent conference. Documentation will be kept through the school year.
- After **seven (7) unexcused absences**, the school will contact the parents via phone call, letter, or e-mail.
- After **ten (10) unexcused absences**, the student and/or parents may be reported to the Coweta County Board of Education Truancy Office and/or juvenile court, magistrate court, or the Department of Family and Children Services (DEFACS) for truancy and educational neglect.

For referral/reporting purposes, every four (4) tardies is counted as one (1) half day unexcused absence. Two tardies or early dismissals of thirty (30) minutes or greater will be counted as one (1) half day absence.

The school administration has the ultimate authority in all attendance-related matters and reserves the right for discretionary deviation of the attendance policy.

Birth Certificates

All students must provide a copy of his/her birth certificate to keep on file at the school.

Birthday Celebrations

NPS loves to recognize everyone's special day. Parents/Guardians are welcome to send in a small special treat to celebrate your student's birthday. The treat will be shared at snack time (3 year old classes and younger) or at the end of lunch time (4 year olds – 5th grade). If your student's birthday is on a weekend or in the summer, your student's teacher can coordinate a day to send in a birthday treat,

Cell Phones

To keep the focus on our students developing academically as well as acquiring the necessary skills for face-to-face interaction with peers and adults and to reduce the unnecessary distractions that our elementary school-aged children are facing, the following student cell phone policy is in place:

- All phones/devices are brought on campus at one's own risk.
- Electronic devices such as cell phones/gaming devices and/or apple or other smart watches are to be turned off during the school day and must remain in the student's backpack - not in clothing pockets or on the person. Place device all the way inside of the backpack so that it is not visible.
- The school is not responsible for lost or stolen devices.
- Cell phones may be turned on after school but must still remain all the way inside the backpack~ not in clothing pockets or on the person.
- Phone calls, texting, and videotaping of oneself or others is strictly prohibited at any time during the school day to include classrooms, library, specials, playground, common areas or restrooms.

Chapel

We believe that in a church school there should be an emphasis on spiritual development. Through the use of the church chapel, students will become more aware that they are special, important, and priceless. Activities will include fun Christian songs and simple stories teaching students about God's love and His beautiful world.

Communication

You are an important part of our program, for you are your child's first teacher. It is important that we exchange ideas and information because you can teach us a great deal about your child. We are here for the students, so it is essential that we know about special events in your child's life. Anything that might affect your child certainly concerns us (family illness, death of a family member or pet, birth of a new sibling, accidents, divorce, etc.). Good communication is essential in order for our relationship to be most effective.

Parents will receive monthly correspondence from your student's teacher to inform you of what is taking place in the classroom. Please look for important dates and information in these letters and calendars. This way, you can talk with your child specifically about things he/she is doing and learning in the classroom.

Please check bookbags, backpacks, and folders daily for assignments and teacher correspondence.

All messaging with teachers and staff will take place using the Procare APP.

Complaint Procedures

If a parent is concerned about anything related to the classroom, they MUST follow these procedures:

STEP 1 – A Parent MUST first communicate their concern with the teacher by phone conversation, a written letter, Procare, or a pre-arranged informal conference. If no resolution is reached, move to step 2.

STEP 2 – Parents must then arrange a formal or informal meeting with administration and with the teacher present. If no resolution is reached, move to step 3.

STEP 3 - If there is still parental dissatisfaction, the parent must then arrange a formal or informal meeting with the school director.

Discipline for PreK-4 Classes and Younger

Preschool is a place where children begin to learn acceptable behavior and act accordingly. For PreK-4 and preschool ages, discipline is a process of changing behavior from inappropriate to exemplary. Children need discipline, boundaries, and consistency. Our teachers are not satisfied with just stopping inappropriate behavior but want to teach students what is right. Classroom rules are explained on the first day of school and reiterated throughout the year. Students learn to treat others and their belongings with respect. When necessary, we use the "time out" philosophy. After understanding the rules, the student will be given a warning if he/she breaks a rule. If the student breaks the rule again, the student will be given an age-appropriate time out. If the problem is recurring, a parent will be contacted to discuss appropriate school behavior.

While class safety and safe play of our students is our foremost concern, incidents do happen. Teachers will keep records of aggressive behavior and biting incidents. If another child injures your child, the teacher will notify you. The teacher will also notify the parents of the student that exhibits the negative behavior, and a conference may be required. Conference visits are mandatory if a student exhibits aggressive behavior up to three times. Parents will be asked to remove the student from the classroom for one week. If the behavior continues, the school reserves the right to remove the student from the school program. No refunds will be given.
